School Uniform Policy

It is our policy that all children wear school uniform when attending school, representing the school or when participating in a school-organised event outside of normal school hours. We have a supplier of our uniform, The Uniform Shop, Crested Schoolwear in Stafford Town. It is hoped that parents will support this by ensuring that their children come to school dressed in uniform clothing as below. The school provides support for uniform for children entitled to pupil premium money (Free School Meals).

Children need to be appropriately dressed for various weather conditions and activities in school. We want the uniform to be both smart, to reflect the highest standards alongside being practical.

Aims and Objectives

Our policy is based on the notion that school uniform:

- Promotes a sense of pride in the school
- Generate a sense of community and belonging towards the school
- Is practical and smart
- Identifies the children with the school
- Makes children feel equal to their peers in terms of appearance • Is regarded as suitable wear for school and good value for money
- Is designed with health and safety in mind.

The school would hope that all parties could come to an amicable solution if such a situation occurred. Boys no tramlines, excessive spikes or styles. Girls with long hair are to wear it completely tied back with a hair bobble which matches school colours. No hair wraps/braids are allowed.

Make Up

Under no circumstances can make up or nail varnish be worn by any pupil.

The role of parents

We ask all parents who send their children to our school to support the school uniform policy. We believe that parents have a duty to send their children to school correctly dressed and ready for their daily schoolwork. One of the responsibilities of parents is to ensure that their child has the correct uniform, and that it is clean and in good repair.

School Uniform Policy

If any parent would like the school to modify the uniform policy, they should make representation, in the first instance, to the head teacher. The school welcomes children from all backgrounds and faith communities. If there are serious reasons, for example on religious grounds, why parents want their child to wear clothes that differ from the school uniform, the school will look sympathetically at such requests.

The role of governors

The governing body implements the school uniform policy. It considers all representations from parents regarding the uniform policy and liaises with the Head Teacher to ensure that the policy is implemented fairly and with sensitivity. It is the governors' responsibility to ensure that the school uniform meets all regulations concerning equal opportunities. Governors ensure that the school uniform policy helps children to dress sensibly, in clothing that is hardwearing, safe and practical.

Monitoring and review

The governing body monitors and reviews the school uniform policy through its committee work by:

- Considering, with the Head Teacher, any requests from parents for individual children to have special dispensation with regard to school uniform
- Requiring the Head Teacher to report to the governors on the way the school uniform policy is implemented.
