HOMEWORK POLICY

Approved by: Governing Body – 29th June 2026

At Beaconfields Primary School, we provide all children with homework to enable them to practise the skills and learning they have been taught in school and to develop fluency in areas such as reading and times tables.

Homework encourages pupils to develop the responsibility and self-discipline required for independent study.

The aim is to provide opportunities for parents/carers to work alongside their child/ children to support their learning in school and at home.

We value the role of parents working in partnership with the school in order for all children to reach their full potential. We ask that parents support and encourage their children, in a positive way, to ensure that they complete their homework.

Our routines and expectations – We expect all children to read at least four times a week and children in Y1-6 to practise their spellings at home in preparation for their spelling quiz on a Friday. Each key stage then sets additional homework in line with their year group expectations.

The table below shows year group specific homework in addition to reading and spellings.

EYFS (Reception)	Reading – Celebratory read of a decodable book in line with Little Wandle Phonics. This will be sent on a Monday for a week duration. Please ensure that you read at least four times a week at home for 5/10 minutes. This reading should be logged on Boom Reader. A library book will be picked by the children weekly and can then be shared at home. Tricky words are sent home to inform parents of the gaps in their tricky word recognition. Half termly homework is sent via Famly. One activity should be completed from the Prime Area section and one from the Specific Area section.
